REDUCED STAFF COSTS FOR 2010

These pages list all of the expenses you will incur to bring your International staff to the United States through **ACAWE**.

We are sensitive to the effect the economy is having on all of us. To help you keep staffing costs down we have done the following for 2010:

1. We have either **reduced or held the line on all fees.**
2. **Domestic flights to camp are again included** for staff from Australia, New Zealand and South Africa as well as from Mexico. You will only be responsible for getting staff to camp from the airport **you** select from the following cities:

New York	Atlanta	Miami	Philadelphia	Newark
Chicago	Detroit	Milwaukee	Minneapolis	Dallas
Houston	St Louis	Denver	Los Angeles	Seattle
San Diego	Las Vegas	Portland	San Francisco	Boston

3. **To bring a returnee from Australia, New Zealand or South Africa, your total cost from ACAWE is \$450.** This includes 63 days of insurance. You are then able to negotiate pocket money and reimbursements directly with the applicant.

4. You have a choice for payment of all **ACAWE** staff. You can pay them directly or have **ACAWE** pay them as we have in the past.

We are here to help you secure great staff at reasonable costs. **We pride ourselves on customer service**; if you have a problem we are there to help you resolve it. Our service starts with placements but it doesn't finish there. We're available to you 24/7, until all of your staff are away safe and sound at the end of the summer.

We are not striving to be the biggest in the business- just the best. We look forward to working with you to bring you great staff from all corners of the globe.

Please feel free to call:
